

Resume Screening Report

Candidate: electrical_engineer_resume

Date: 2026-04-10 01:23

Analysis Summary

SHORTLISTED

Match Score: 80.15%
Semantic Similarity: 53.9%

Matched Skills

- | | | |
|---------------------|-----------------------|-------------------|
| • circuit design | • embedded systems | • arduino |
| • electrical wiring | • autocad electrical | • matlab |
| • power systems | • electrical machines | • troubleshooting |

Missing Skills (Gaps)

- | | | |
|--------------------|----------------------|-------------------|
| • plc programming | • electrical systems | • python |
| • microcontrollers | • basic automation | • control systems |

Personalized Learning Path

Skill: PLC PROGRAMMING
